

Wood To Wonderful

Thanks to the generosity of Doug and Louise Brown, Rubye's Kids has been the recipient of the beautifully crafted yo-yos made by the "special toymakers" of "Wood to Wonderful." For the past twenty years, every November, Doug and Louise ship a box of 500 yo-yos so that each of the 500 children attending Rubye's Kids Holiday Party receives the gift of a yo-yo. Rubye's Kids volunteers demonstrate how a yo-yo works and the children see a video of the toymakers working so that they understand that others care about them enough to make them a gift. To complete the circle, our children send a thank you poster to Wood To Wonderful, so that the toymakers know that they are grateful for the yo-yos.

Rubye's Kids Holiday Party serves 500 children in need each year who live in homeless shelters or low income housing in Philadelphia's inner city. Thousands of children who have attended the party have been impacted by the good work of Doug and Louise and Wood To Wonderful. Rubye's Kids deeply appreciates their support for all of these years. What an amazing organization, Doug and Louise have created!
